

Pop-Up Valentines Day Cards

Assembly: Let children color the pictures. Fold the paper in half on the fold line (so that the picture is on the outside. (see Step 1) Cut on the dashed grey lines (this will be like cutting out a heart shape but stop cutting when you get to the black solid line) Open the page up, and push the heart forward. Refold the card this time with the pop up heart inside the card. (this may take some creasing) (see Step 2)

Glue another sheet of paper to the back of the card to cover up the hole from the heart.
